About Product

Cabinet E1 - Grade Plywood Material

Stable

Using 11-layer solid wood core board, thickness 18mm.
Not easily deformed or cracked.

Environmental protection

Paint-free and tasteless,
nearly zero formaldehyde emission.

Waterproof

Polymer polyester film veneer, finely sealed edge.
Waterproof and moisture-proof, not easy to mold.

Beautiful Texture

Natural texture, distinct wood grain,
comparable to logs.

Countertop Slab Material

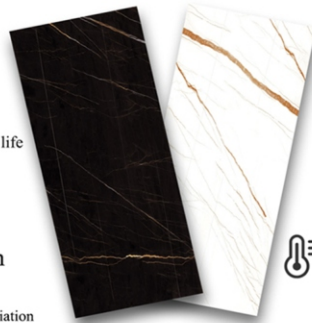

Scratch-resistant

Impact resistance, wear resistance,
calmly face all kinds of scratches in life

Anti-corrosion

Resistant to various chemicals,
including solutions, disinfectants, etc.

Environmental Protection

Pure natural materials,
100% recyclable, non-toxic and non-radiation

High Temperature Resistance

Directly contact with
high temperature objects will not deform

More diverse and extensive applications

The texture of the slab is rich and varied, which can be customized according to user needs

Practical Design & Useful

Turn complex design to simple and unique
